The **EUCCHARIST** and the **SUN**

These 2 elements are indispensable for Human life. The first for SOUL LIFE and the ETERNITY SALVATION, the SECOND for NATURE LIFE.

The 12 CROP CIRCLES that points to the **21-7-2017** date tell us about the **REAL SUN** for men lifekeeping.

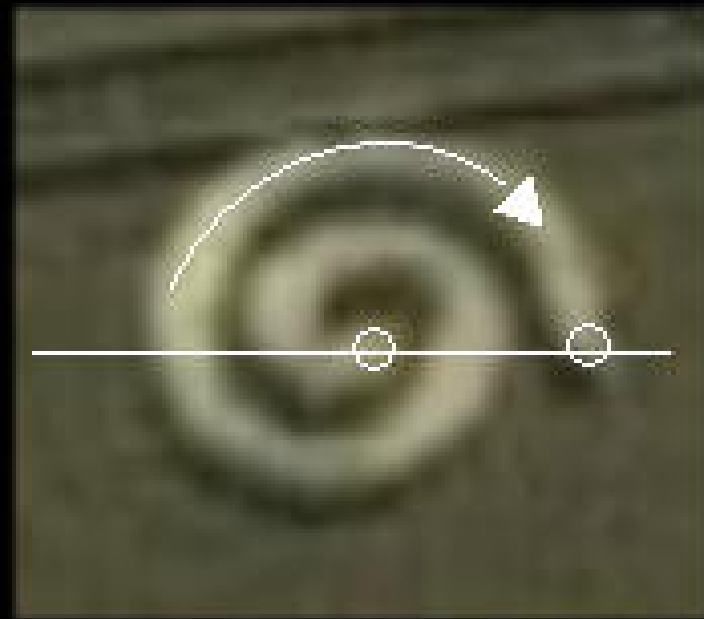

BOTH WILL BE DESTROYED

THEN IT WILL BE THE END

And everything remade in a sudden

The start

The tipping of the Catholic church is happened already since Easter 2017, 180° - the opposite

Francis has declared that Satan is a son of God and the brother of Jesus and has issue an order for all priest to accept this. This all took place at about Easter time and was put into practice for the masses for Easter day.

The tipping of the Catholic church is happened already since Easter 2017

The exorcist bishop's statement (9-July-2017):

Resume of 2 emails - I need to explain something. At mass the consecration only takes place only takes place if the priest believes it is taking place thru him and not by him. The priest can be in a state of mortal sin and the consecration will still take place for the people as long as he believes and realizes it is being done by the Holy Spirit and not himself. If it is not done this way then the people do not do not do not receive the true presence of Jesus Christ and the mass is invalid. These are the laws of the true church. **Francis has declared that Satan is a son of God and the brother of Jesus and has issued an order for all priest to accept this and has given statements to the fact that he believes that the consecration is only a symbol and has made statements and that priests can decide for them self to believe in the consecration or not.** Francis has issued statements stating that the belief of the consecration is now upon each priest and that they may believe in it as being only symbolic and not the true presence and he has made statements that this is what he believes in. Francis has also stated that Satan is Jesus's brother and this is to be mandatory at all masses. This was brought in at Easter for all the masses and I heard it with my own ears but the public was not aware of it because they said it in Latin and did not put it on the news because they still need the money donations. **This is heresy** and makes the mass invalid if the priest no longer believes or accepts Satan as a brother to Jesus Christ and people then only receive a spiritual communion.

This all took place at about Easter time and was put into practice for the masses for Easter day. But hardly anyone knew of it. Because they still need the money donations so they kept it from the public and the news. Therefore a large number of masses now are invalid depending on the belief of the priest saying the mass. Also the law of the true church states that if there are too many hosts for consecration and not enough people then the priest has very thought of not to consecrate one plate or container is valid and this means also that if he intends not to consecrate any hosts then no host become consecrated. **It is proper to remove the container before he says the consecration words and he must he must he must not change one word in the consecration otherwise it is also an invalid mass.** This also means that if the priest saying mass decides he does not want to consecrate any hosts because he no longer believes or for whatever reason then the mass is invalid.

It is best now to ask the priest of the church which way he truly believes in because Francis accepts both ways the consecration as the true presence of Jesus Christ or as just symbolic **and this is heresy.**

Many masses around the world are now invalid because of the priest no longer believes or he accepts Satan as Jesus's brother or the priest no longer says the proper words in their proper order. All this applies to all orders of the Catholic church. Please pass this information on. God bless. Bishop Father r.

Subject: Here it goes

A lot of information was given today at the 3 masses and here it is. I asked about the 9th and 10th of august if something was going to hit the sun and I got no answer. Then I asked if the dates will have something to do with the the sun and I received this and recorded it ,,,,,,"yes it will be",,,, then I asked if the sun will have something to do with it,,,,,"yes it will",,,, Please know in my messages I try not to assume or misinterpreted anything.

Then I asked what is it that Becky caught on video is it the 2nd sun , is the large center part the 2nd sun in the center and I received this,,, it is it is the brown star " and it was confirmed that it had collided with another object and both have broken apart in pieces but there still is a large part of it holding together and that it is more dangerous now then it was before because there are moons and planets around all of it and several pieces could strike the earth like rain of fire. It was also confirmed that it is moving in 3 different patterns at the same time. And that it is only 50 million miles away when it swings into its figure 8 pattern ever so often. The 3 patterns are being done in honor and by the Holy Trinity which makes a lot of sense.

I do not know how you started to redo the crop circle readings but you did a great job and the Queen and Princess are pleased. You have been asked to keep people updated on your site because fear is going to grip the world soon.

Subject: It's BAD

This comes from an important high man from an agency high in information in the world and as I am typing this I just received a phone call from a contact with vatican info that also makes me sick. There is no plan to inform my country of what's coming. And this is what scientists are saying among them self and will inform their families 3 days in advance.

I was told it will happen soon yet this year. After putting in at least 10,000 scenarios into a computer they told me that the pole shift will happen in no longer then an hour and it will be a 200 degree shift. The equator will be the middle o the United states and temperatures will go to 220 degrees for a short time and winds will reach 400 miles per hour. The oceans will throw up waters at least 2 miles high.

The earth will turn over very fast and all volcanoes will erupt with earthquakes everywhere. They said 4 to 5 million people will die each hour world wide. A red dust will fall to the earth making it almost impossible to breath even for the healthy. And the red dust will get heavier u till everything will be cover in red dust.

They said this will all take place over a period of 3 days and is expected between August and December this year 2017.

They said leaders in world countries know about it and I was I informed that is what Becky, s video is but they can not track it properly because of its strange movements and that a large asteroid just missed the earth days ago that they could not even track before it barely pass by because they believe it was coming from the same system and was kicked out. It barely missed the earth days ago God bless the church info I need time to digest it before I send it to you . Bishop

BROWN STAR

the BROWN STAR must have struck a celestial body on the trajectory (Uranus satellite?). The clash must have introduced a circular orbit. The actual distance has increased and the arrival time is slightly shifted. Indeed it is here that it is now around Earth and in the Sun since June 26th. The Sun exploded on July 23 for likely unpleasantness of the BROWN STAR Beckys attraction. Mars is now behind the Sun and nobody knows if it still exists. The CROPS showed that Uran and Mars was on its path. A new explosion is expected on the next lap.

The Beckys Shot/videos on 26-6-2017 tells also the actual position. The previous 23rd July Sun explosions maybe due to the high attraction Beckys Brown Star to the SUN when reached a certain position. A new explosion is expected on the next lap. If this will happen during 10th to 13th August it means that the revolution now is less than ONE MONTH

Explaining also what's happening

Scientists hope into a “B” or “C” plan
Verry worried about

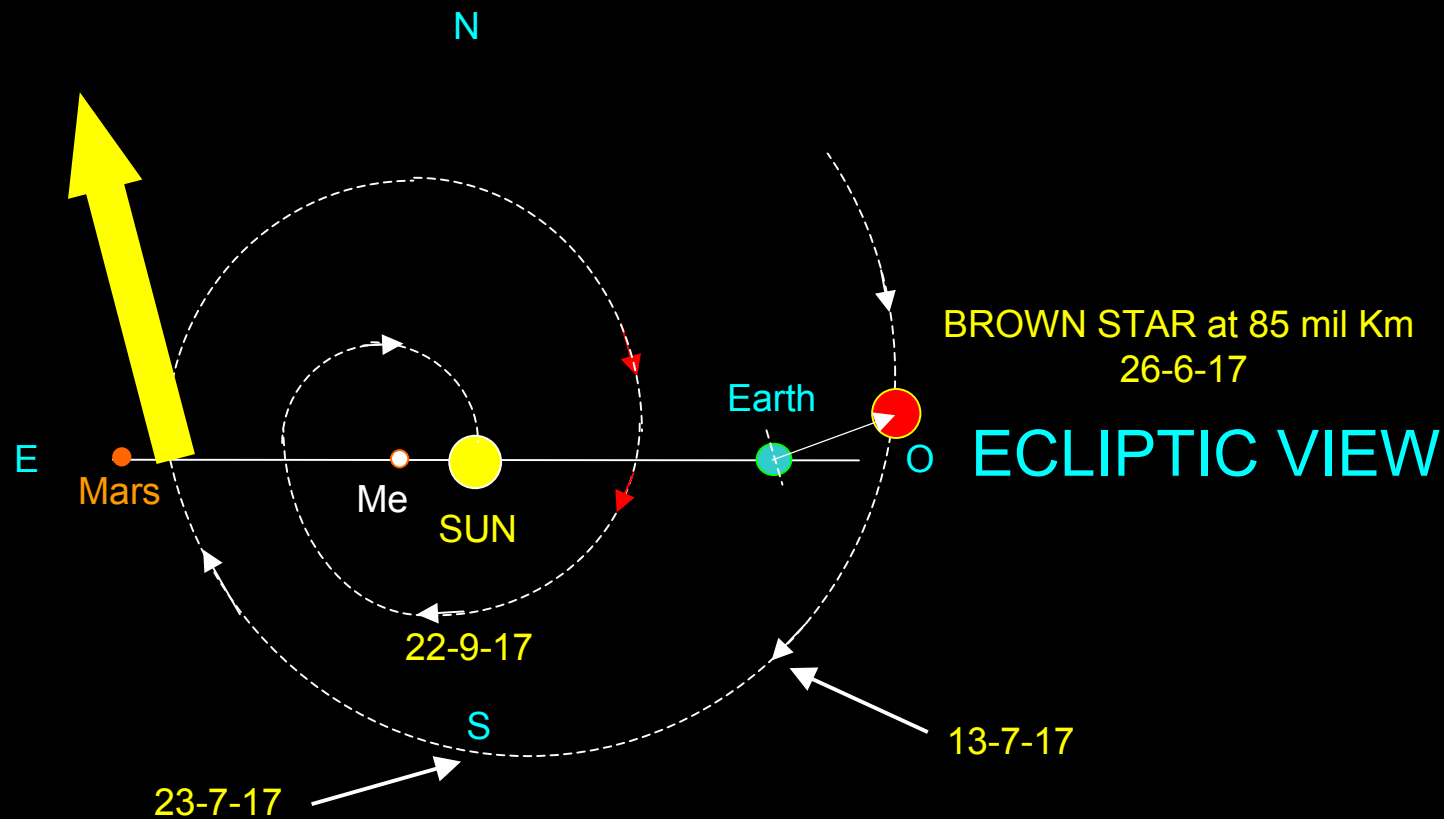

The “B” plan

The Beckys brown star increases its speed using a whip effect as usually used also for artificial satellites on their interplanets travelling. So Beckys exiting the Solar system passing below the ECLIPTIC

The “C” plan

The Beckys brown star go back where it came from (not exactly), after a 180° rotation towards the SUN, as a comet does (not exactly, as comets are not so vertical to the Ecliptic plane).

“B” and “C” plans cannot be realized

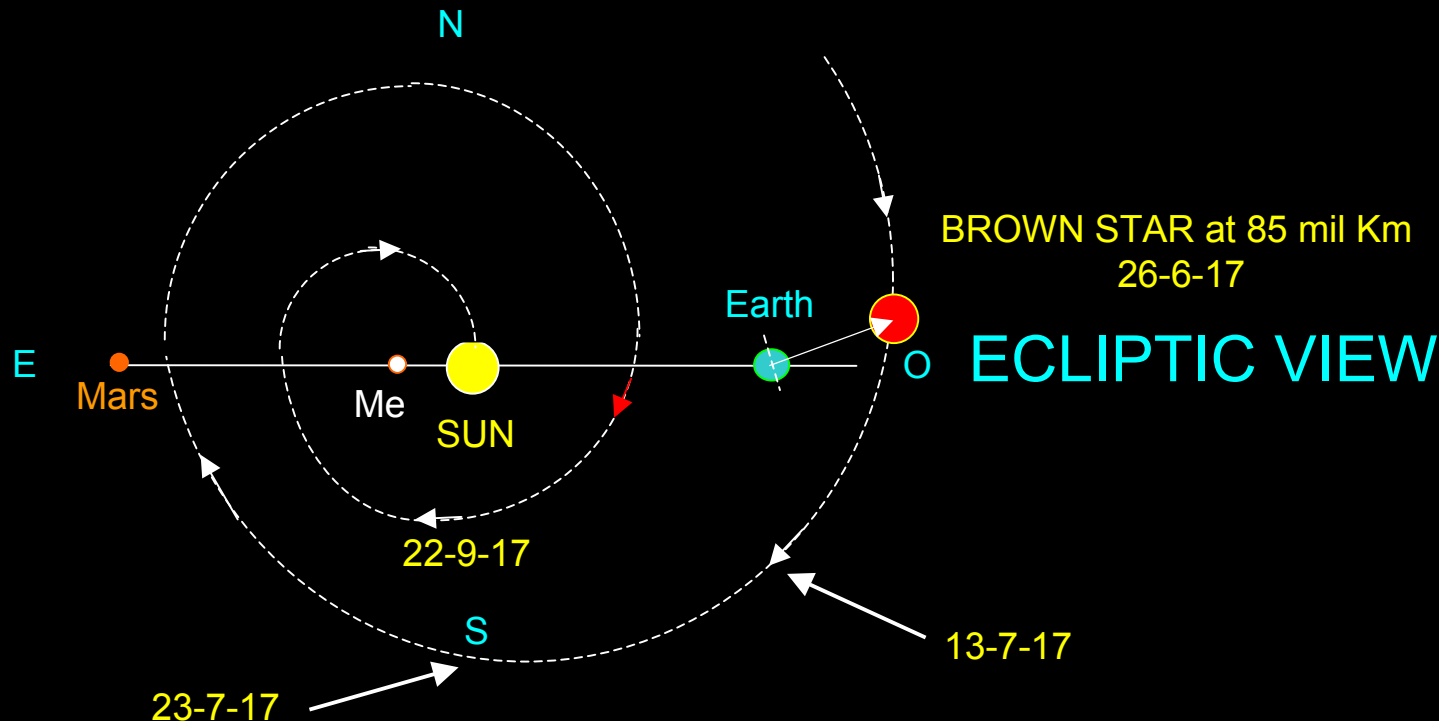

Scientist will be in fear of the happenings

The Beckys brown star has lost his velocity during the SPIRAL approaching toward the SUN. It cannot use the WHIP effect to increase its speed (B plan) and go out of the Solar System. This because there are two speeds involved contrasting one another.

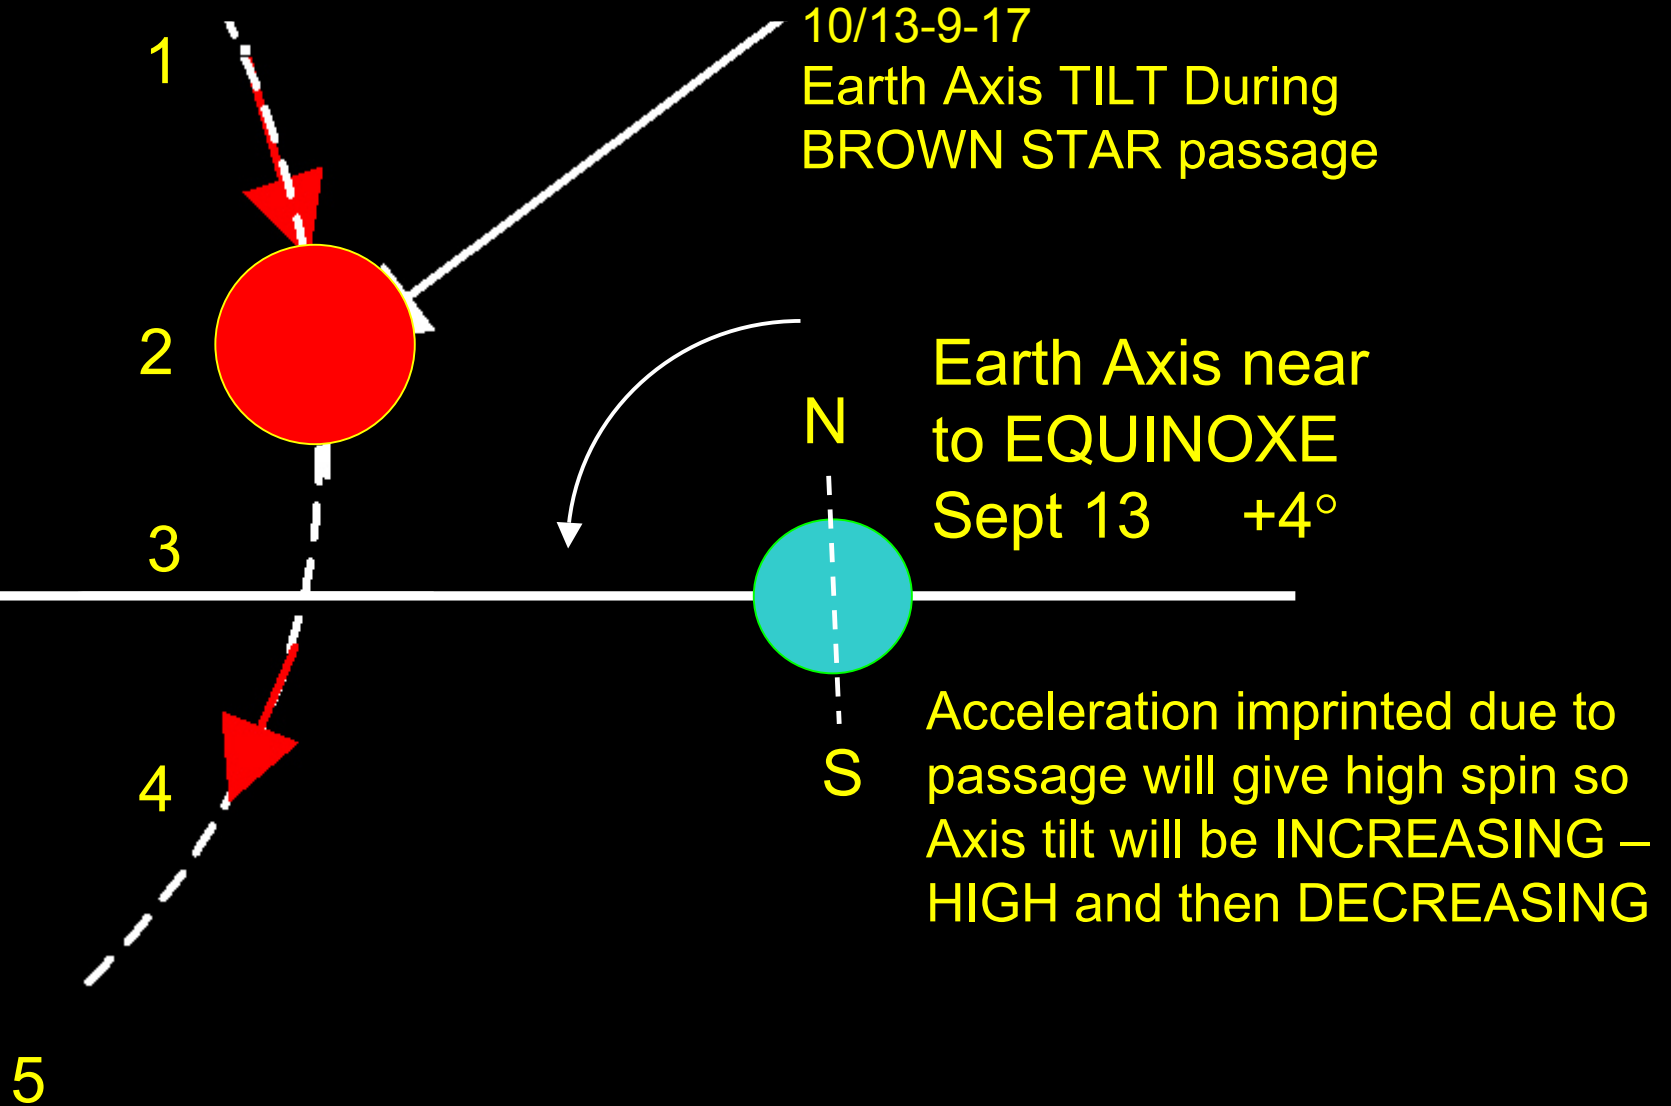

1 – A direct speed toward the SUN (as seen previously from the Urano direction)

2 – an external Revolution Orbital speed that cannot go above certain limits and basically try to reduce the DIRECT SPEED.

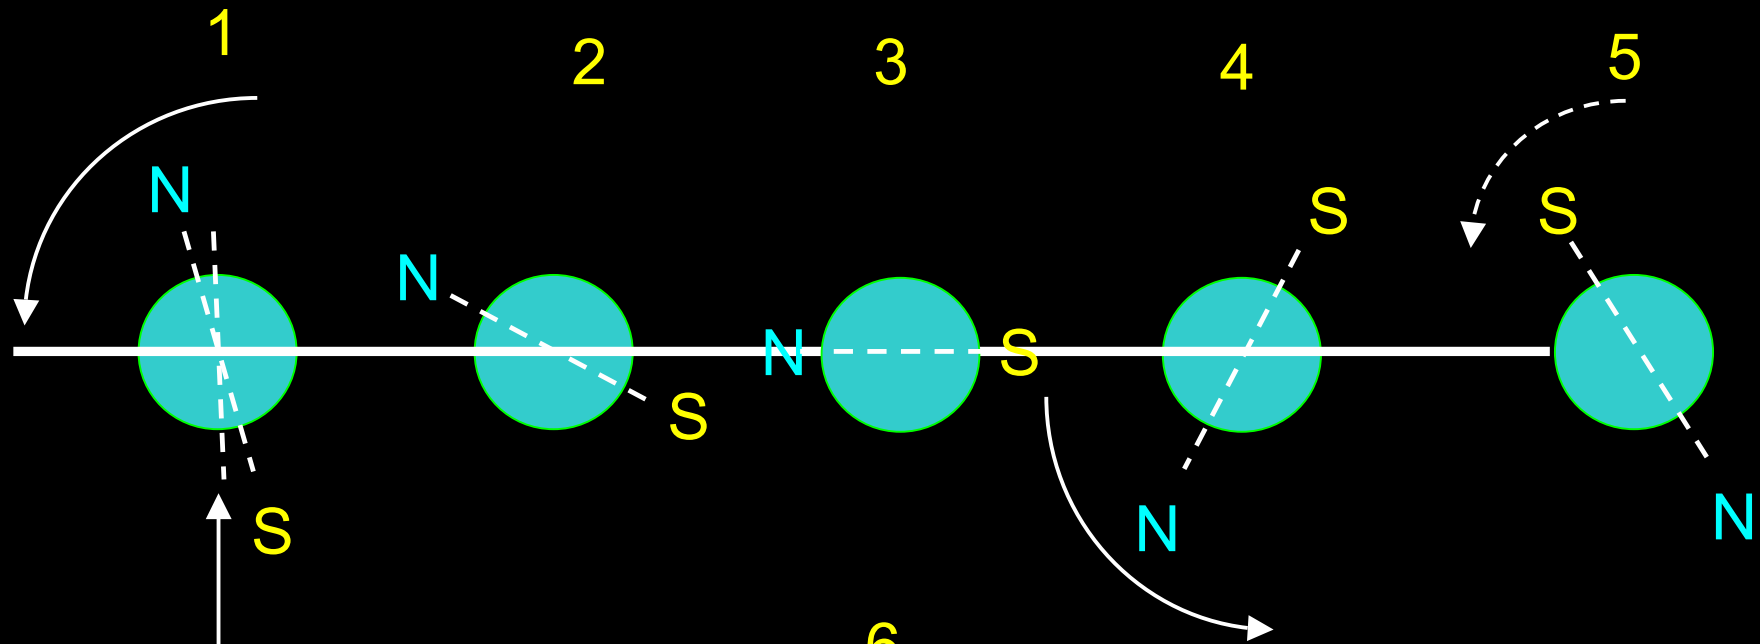

The result is that also Plan C cannot be achieved. Due to the above conditions, the total velocity is reduced to a dangerous level so after a couple of turns around the Sun, Beckys will crash onto it as an artificial satellite not able to stay on its orbit due to acceleration loss or as a rocket that does not have enough force to win the Earth gravity and refall to the ground. Who do you believe to? Teen agers going to have vacation in New Zeland or you believe to Angels that have given solution since years?

Today at my masses I was spoken to very much and I recorded it, and here it goes: The QUEEN AND PRINCESS OF THE HOLY ROSARY WISHES ME TO INFORMED YOU ROBERTO THAT MUCH OF THE PROCESS OF THE EVENTS TO OCCUR , YOU WERE CORRECT . BUT THE TIMELINE HAS BEEN CHANGED AGAIN BECAUSE OF MARIA, WITH US AND OTHERS, OBTAINED MORE MERCY FROM JESUS.

The sun may still be hit on the 21st of JULY BUT NOTHING of the magnitude that it was going to be, because the VIRGIN MARIA HAS TAKEN IT AWAY thru your suffering thru the events and thru my suffering and some others. PLUS THE EARTH will be ok also.

Again MARIA wants us to understand that we are at the end and this is what I was informed of and for you to keep looking at the timeline.

WHAT you have told is correct counting backwards, that's why the QUEEN AND PRINCESS wanted you to recheck the crop circles as I have mention to you for a few weeks now, because as I said as HEAVEN said what you have as events are correct but the timeline is changed. As far as the 13th October goes, I have still been told 11, 12, 13th, the 14th it begins to lessen and sets up for complete clearness on the 15th.

and that OCT. 7th is like a type of a RAPTURE but it is thru suffering severely and dying in a normal way and the body disappears. Also on the day of the WARNING, THE 1st part of the RAPTURE WILL ALSO BE FOR SOME OF THOSE HAVE SUFFERED FOR EVEN IF THEY ARE NOT CATHOLIC, THEY WILL BECOME CATHOLIC AT HOME. Home is not just for CATHOLICS as some messages have claimed, THE VIRGIN WOULD NEVER, NEVER, NEVER SAY that, because that would put a condition on and a limit to JESUS'S MERCY AND THAT IS FALSE. GOD BLESS YOU

FRIDAY 22 Sept – 6/7 days = **15/16 Sept**
date corresponds to the previous 15/16 April. EASTER 2017

14 SEPT: GREAT WARNING

22 SEPT: RAPTURE AFTER THE WARNING

7 October: 2nd RAPTURE before 3WW

15 October : resurrection of death and ALIVE

The Beckys celestial body compared to our SUN is too big, so it can't be the SECOND SUN coming in. If it would it should be 12 times bigger at the S.S. up to date distance. This can be a part of the S.S. as the internal nucleus is burning. It is not a meteor. Maybe already very very near to the Earth or to the Sun. 16 July 2014 CROP CIRCLE

SUN EXPOSURE DURING DAY AND NIGHT reported by the circle diameters on 9 total days (as per graphically permitted)

How much and when the Earth will feel cold and hot Then the weather will cause the world to shake

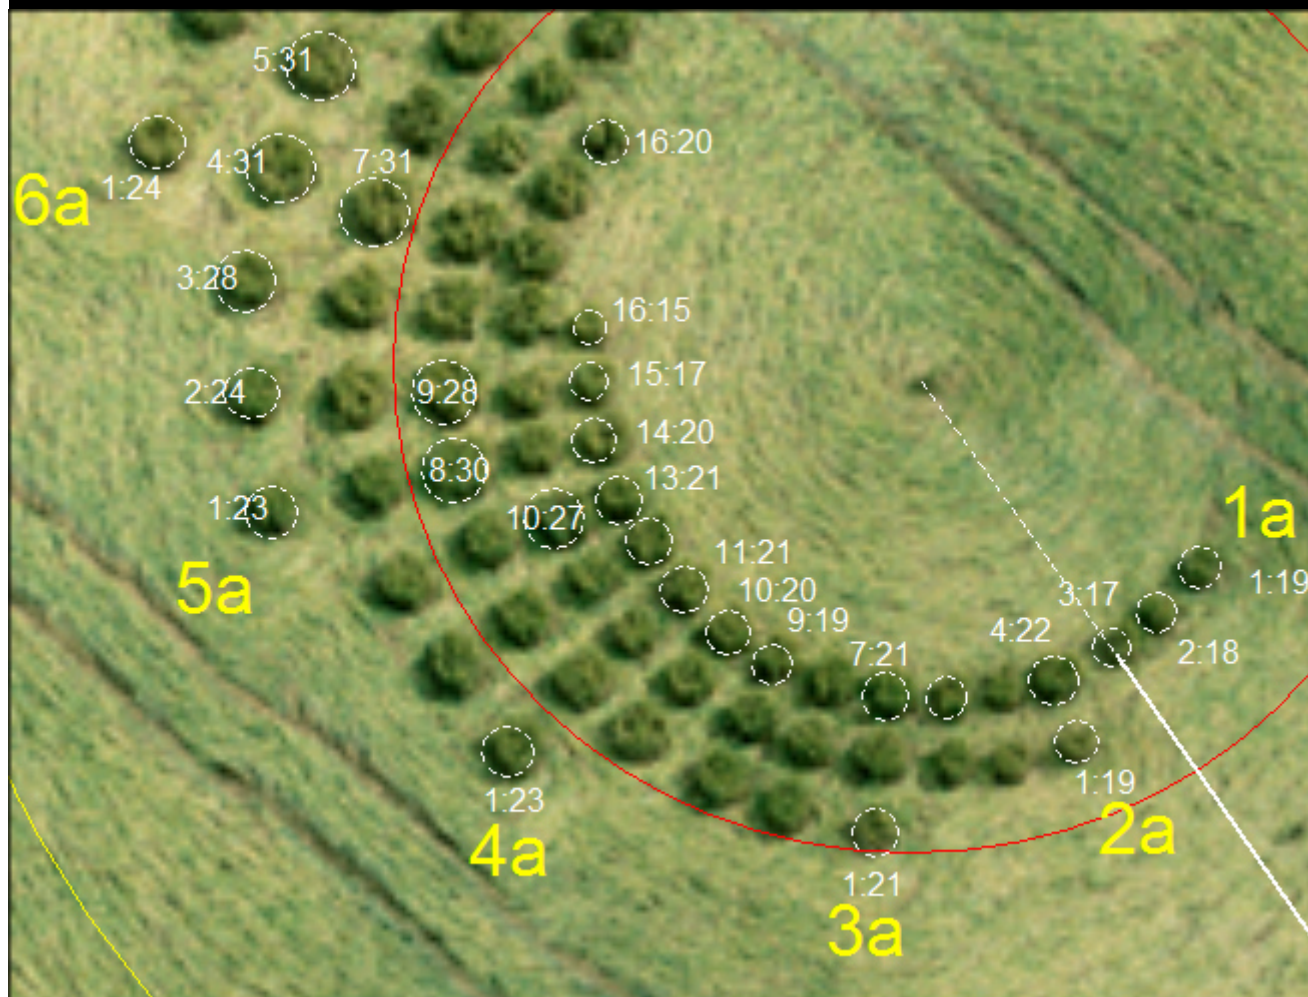

Graphically, we get reports as much as graphics allow. I underline, as far as graphics allows. What makes it clear is that you go in a crescendo from the 1st to the 9th day. Reading starts at "1a", where the circle indicates 1:19 meaning that the 1st day of 16 hours starts with a 19 diameter exposure (which are not centigrade degrees, but a diameter to be used as a reference), ending With 16:15 (16th hour with 15 as diameter - which means that the temperature has fallen even before passing from 11 / 13a with a slight increase of 11:21 and 13:21)

"1" indicates the first hour and "16" the last hour of the day for 16 hours. The second number indicates the graphical circle diameter. There is a small change on this line over the 16 hours that varies between 19 and 22. I emphasize that they are NOT centigrade degrees, but the size of the chart.

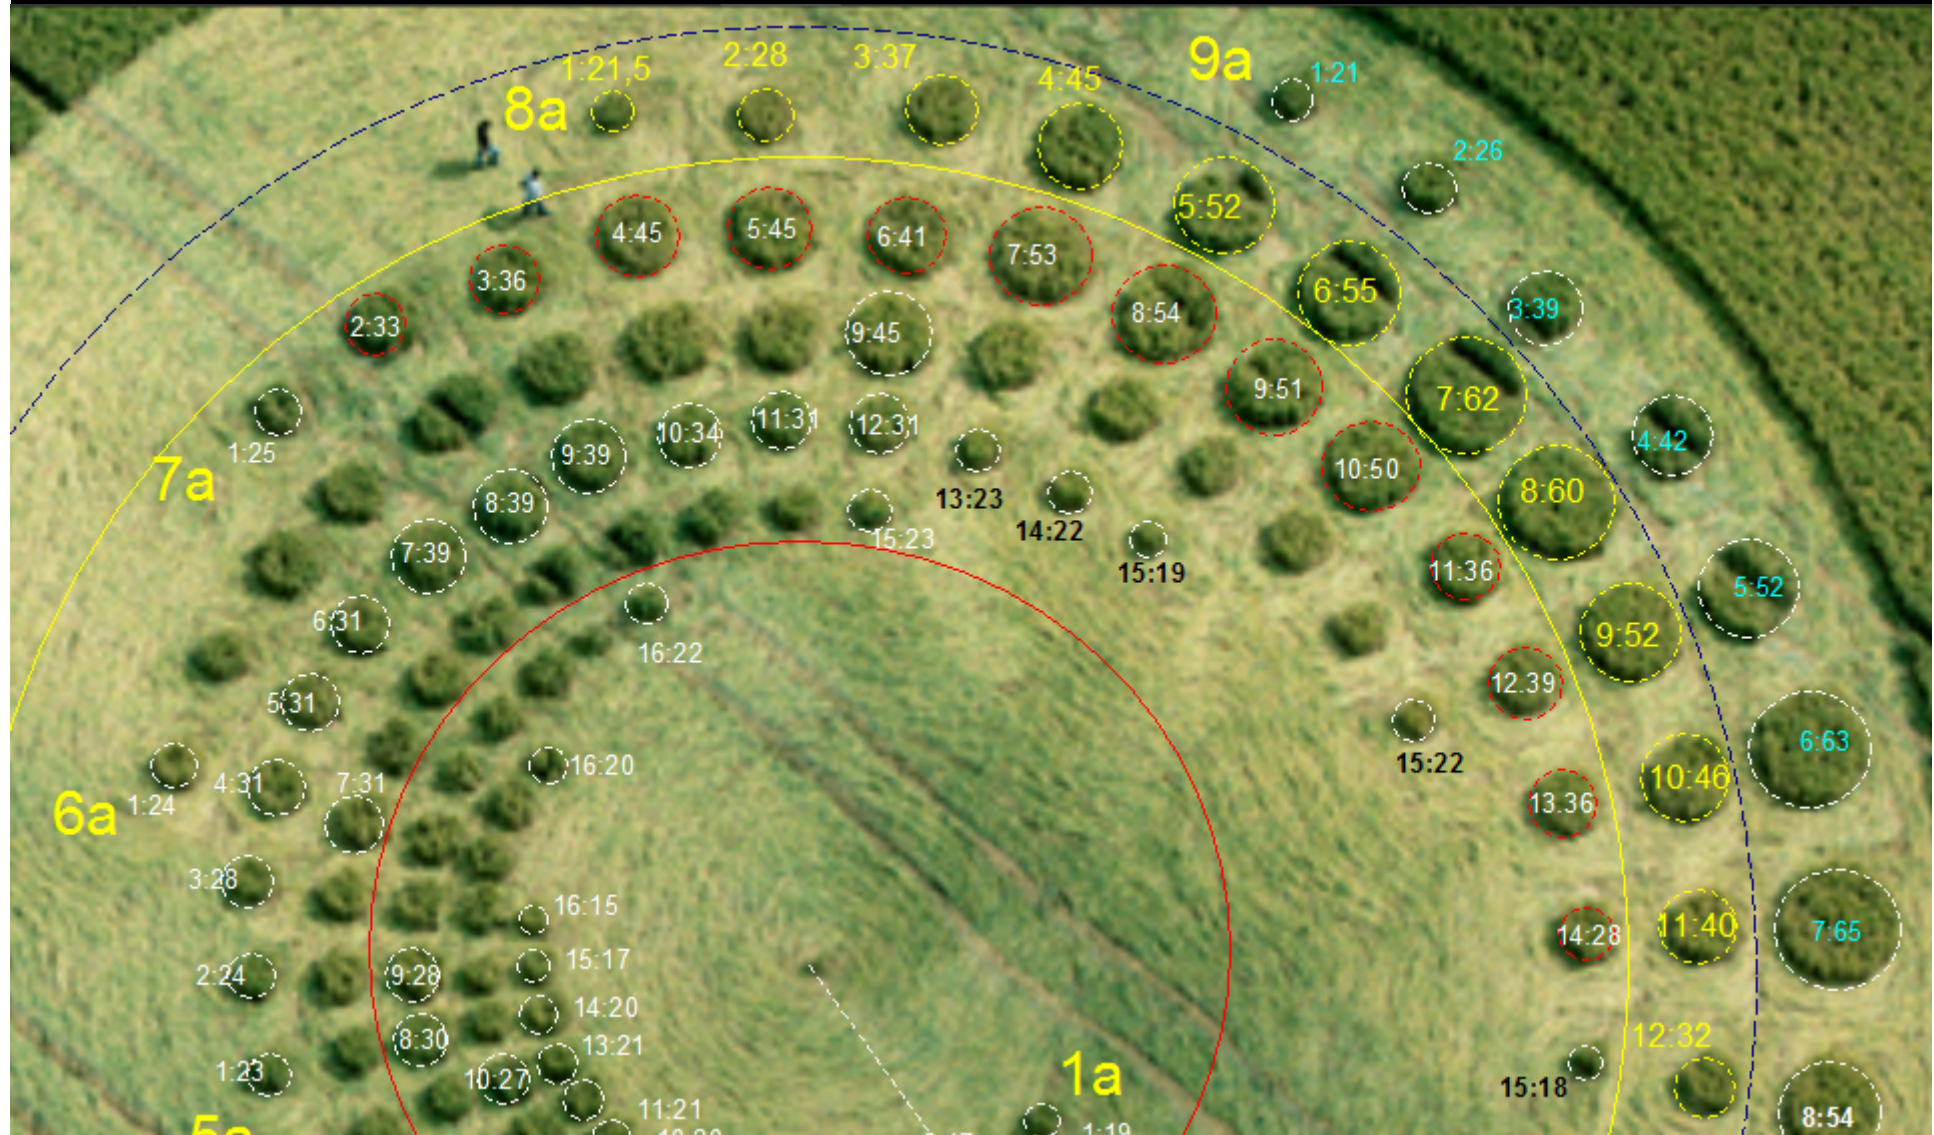

The circles tell us the daily variation will be low. Then the temperature will rise in the days.

The maximum ratio between the initial and the final temperature is: $65:21 = 3,1$, so if the temperature in the 1st day of 16 hours at midday is 15°C at midday of The last 13 days will be:

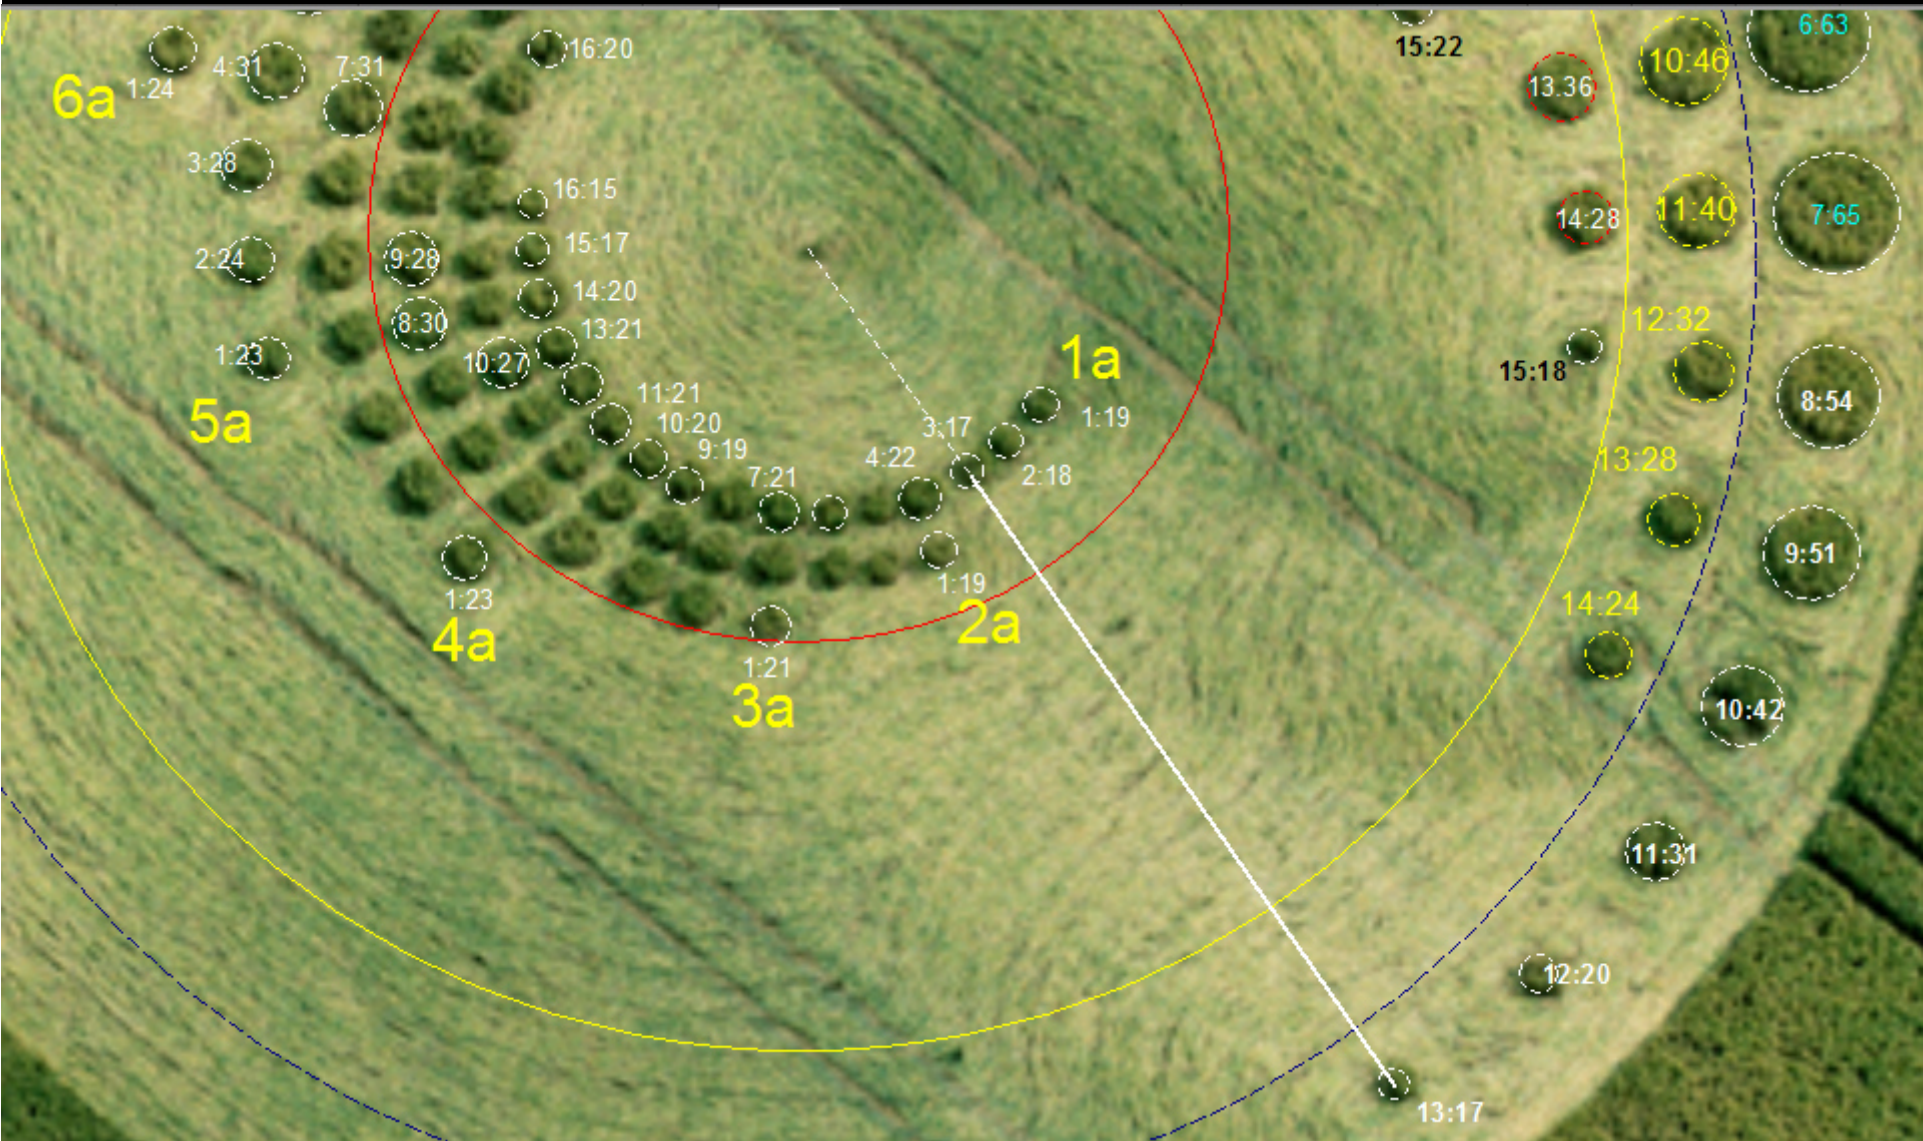

$$15 \times 3.1 = 46.4^{\circ}\text{C}$$

In 2014, 2015, 2016, Lucifer was the name used in a chant in LATIN by a priest at the pulpit at the EASTER MASSES AT THE VATICAN and was stated that Lucifer was the brother of JESUS and that GOD INTENDED it that way from the beginning. It was in LATIN AND few people know LATIN so it passed over their heads. In 2017 it became mandatory to announce this at masses but not all bishops have agreed. However some have. IT was intended for all rites but my rite refuses it because I hold the decision to do so because I have the authority to do so. The other rites have their own patriarchs to make the decision. To my knowledge the BYZANTINE RITE HAS DECLINED ALSO.

As far as the TRIDENTINE MASS goes it no longer is approved by the VATICAN, FRANCIS has made it a law unless they obtain special permission from ROME to do so and only for special occasions and ROME declines most or all requests. ST. POPE JOHN PAUL II GAVE APPROVAL FOR THE TRIDENTINE MASS IN THE LATIN ROMAN RITE AND FRANCIS TOOK IT AWAY.

There is a small chapel in my area that has the LATIN TRIDENTINE MASS ALWAYS AND IS UNDER THE ROMAN RITE AND NOT MY RITE. THE PRIEST IS ROMAN RITE AND HAS BEEN BLACKBALLED ,HE NO LONGER RECIEVES A PAY FOR HIS SERVICES FROM THE DIOCESE AND HE NO LONGER HAS HEALTH INSURANCE. HE IS OUT ON A LIMB AND IS READY TO BE STRIPPED OF HIS PRIESTLY DUTIES. The same is true with a placed in the state of WIS. and they have a huge school. ALSO there are 2 POPE PIUS X ORGANIZATIONS one is very bad and have brought their own ways into the church and this is heresy. WHILE the other is good and has been blackballed.

AGAIN I state that it is best to find out which way the priest believes at the church and go from there. Most priest will say they must be obedient to their bishop. BUT WHAT they do not know is that obedience to the church is only a law when the church adheres to the original laws and teaches them as such. NOT TO THE FALSEHOOD THAT SOME DECLARE NOW. They teach falsehood because of money, and as you know you can not serve GOD and money.

The church will lie to the face of anyone, so they look righteous to the people and in control, they will even have priests killed, and this is wrong. Years ago it leaked out on line about the statement of Lucifer being the brother of JESUS and part of the EASTER VIGIL MASS was even on line with that part in it , but I think it was pulled from all sources on line.
